There is a wonderful message of Peace and Happiness that has meant a lot to me, and I would like to share it with you. To listen to one or several of these messages in your own language – every day, if you like – simply log on to your computer at

On that page you will find many languages. Locate the program in the Vietnamese language and click the icon. It will open to a page that will allow you to choose from a large selection of programs. Please invite your friends and family to join you. May you find the same Peace and Happiness from these messages that I have found.

NORTH AMERICAN DIVISION & ADVENTIST WORLD RADIO: ***Reaching the Neighbors You Can't Understand***

Question: How do we share the good news of salvation with every kindred, tongue and people in the North American Division when many of them speak languages most of us neither speak nor understand?

Answer: Later this year, AWR will offer a free tool that is guaranteed to increase your soul-winning results.

It's Simple:

1. Log on to www.awr.org/languages.
2. Choose one of 75+ languages.
3. Download and print the "neighbor invitation" written in the language of your choice.
4. Knock on your neighbor's door and deliver the invitation with a smile.
5. Or ... download a print-ready ad and place it in your local newspaper(s).

The invitation encourages your neighbors to visit AWR's web site (see the reverse side of this announcement for an example of the neighbor invitation in Vietnamese and English). Arriving at the language page, they can choose the language of their choice, enabling them to either download programs or listen to them online.

Witnessing Has Never Been Easier: Print out the invitation and take it to your neighbor with a smile ... *no talking required.*

If You or Your Church Family Speak the Language:

1. Place the invitation in your church bulletin. Not only will it offer your members a great outreach tool, it will also help them grow spiritually as they listen to these quality programs.
2. Offer the opportunity on your radio or TV program.
3. Place the information in your church newsletter.

Trustworthy: AWR programs are culturally sensitive, assuring you of not only content quality but also embarrassment-free witnessing ... and positive results!
